

MEDICAL LABORATORY TECHNOLOGY AAS DEGREE CURRICULUM SHEET

Collaborative Agreement with Beaufort County Community College
Effective 6-29-23

PCC has a collaborative agreement with Beaufort County Community College (BCCC) to offer the Medical Laboratory Technology (MLT) Program. Through this agreement, students may earn general education course credits at PCC for transfer to the MLT Program at BCCC. BCCC agrees to annually accept into their MLT Program a minimum of five qualified applicants from PCC. Students must meet the admission criteria and complete the minimum prerequisites below to be considered a PCC recommended applicant.

The following steps must be completed to enroll at PCC:

- Complete an application for general admission to Pitt Community College.
- Submit official transcript from high school or high school equivalency diploma. Applicants with a bachelor's degree are exempt.
- Submit official transcripts from all colleges/universities attended.
- Meet with assigned Advisor.
- Check your myPittCC email account for important announcements on a regular basis.
- Read the [Health Sciences Essential FAQs](#).

By completing these steps, students have not been recommended for enrollment to the MLT Program at BCCC. Students must meet the admission criteria and complete the minimum prerequisites below first. Until these requirements are met, students are enrolled at PCC as an Associate in General Education major or special credit student.

Admission Criteria:

- Must be a high school graduate or hold a high school equivalency diploma
- Must have a **2.5 GPA** in general education courses for the program (see chart below)

Minimum Prerequisites (must be completed or in progress at time recommendation is requested):

- BIO 163 or [BIO 168 and BIO 169]** with a C or better (no time out for BCCC)
- [CHM 130 and CHM 130A] or [CHM 151 and CHM 152]** with a C or better
- Math Elective** (select from list below) with a C or better

Once you meet all admission criteria and minimum prerequisites, contact Health Sciences Admissions at (252) 493-7473 or hltscaadm@email.pittcc.edu to request a recommendation to the MLT Program at BCCC. **The deadline to request a recommendation is July 1, 2024 by 5 p.m. for those enrolling in Fall, 2024.**

General Education Courses

SEMESTER OFFERED	COURSE	TITLE (CREDIT HOURS)	PREREQUISITES
F,Sp,Su	ACA 111 or ACA 122	College Student Success (1) or College Transfer Success (1)	None
F,Sp,Su F,Sp,Su F,Sp,Su	BIO 163 or BIO 168 & BIO 169	Basic Anatomy & Physiology (5) or Anatomy & Physiology I (4) & Anatomy & Physiology II (4)	DRE 098 or ENG 002 with grade of P2 or ENG 111; and [DMA 010, DMA 020, and DMA 030] or MAT 003 with grade of P1
	CHM 130 & CHM 130A or CHM 151 & CHM 152	Gen, Org, & Biochemistry & Gen, Org, & Biochemistry Lab or General Chemistry I & General Chemistry II	<u>CHM 130/130A</u> : DRE 098, DMA 010, DMA 020, and DMA 030 or ENG 002 with grade P2 and MAT 003 with grade P1. <u>CHM 151</u> : DRE 098 or ENG 002 with grade P2 or ENG 111; Coreq: MAT 171, MAT 172, MAT 263, or MAT 271. <u>CHM 152</u> : CHM 151
F,Sp,Su F,Sp,Su	CIS 110 or CIS 111	Introduction to Computers (3) or Basic PC Literacy (2)	None
F,Sp,Su	ENG 111	Writing and Inquiry (3)	DRE 097 or ENG 002 or BSP 4002; Coreq: ENG 011 if applicable
F,Sp,Su	ENG 112	Writing/Research in the Disc (3)	ENG 111
	Humanities/Fine Arts Elective	Choose one course from the following: ART 111, ART 114, ART 115, DRA 111, ENG 231, ENG 232, ENG 241, ENG 242, HUM 115, HUM 120, MUS 110, MUS 112, MUS 210, PHI 240, REL 110, REL 211, or REL 111	
F,Sp,Su	Math Elective	Choose one course from the following: MAT 121, MAT 143, MAT 152, MAT 171, MAT 172, MAT 263, or MAT 271	
F,Sp,Su	PSY 150	General Psychology (3)	DRE 098 or ENG 002 with grade P1

You must be formally admitted to the MLT Program at BCCC to take MLT courses.

SEMESTER OFFERED	COURSE	TITLE (CREDIT HOURS)	SEMESTER OFFERED	COURSE	TITLE (CREDIT HOURS)
Fall I	MTL 110	Intro to MLT (3)	Fall I	MLT 130	Clinical Chemistry (4)
Fall I	MLT 120	Hematology/Hemostasis I (4)	Fall I	MLT 240	Special Clinical Microbiology (3)
Spring I	MLT 125	Immunohematology I (5)	Fall I	MLT 271	MLT Practicum III (1)
Spring I	MLT 111	Urinalysis (2)	Spring II	MLT 215	Professional Issues (1)
Spring I	MLT 140	Intro to Microbiology (3)	Spring II	MLT 285	MLT Practicum II (13)

Total Credits for AAS Degree (awarded by BCCC): 65

A grade of C or better is required in all courses to graduate from BCCC's MLT Program.

Students admitted to health sciences programs are required to complete a clinical practicum. Clinical facilities may require criminal background checks, drug screenings, credit checks, professional license checks, and/or proof of US citizenship prior to or during participation in the clinical portion of a program. Any expenses associated with these requirements are the responsibility of the student. Pending the outcome, clinical facilities may deny a student the opportunity to complete the clinical portion of a program. A student who is unable to complete the clinical portion of a program will not be able to graduate. Criminal background checks, drug screenings, credit checks, professional license checks, and/or proof of US citizenship may also be required after graduation by examination boards, state licensing boards, and employment agencies. Pending the outcome, a graduate may be disqualified from examination eligibility, state licensure, and/or employment.

Students admitted to health sciences programs are required to have a physical examination to determine if they are physically and emotionally capable of performing the essential functions of the program and must submit a completed medical form. A record of immunizations, including, but not limited to, an annual Influenza vaccine and the COVID-19 vaccine must be included with the medical form. A medical or religious exemption for vaccines must be approved by the clinical site(s). PCC does not grant vaccine exemptions in lieu of the clinical site(s) and does not guarantee vaccine exemptions will be approved by the clinical site(s).

Programs at PCC that prepare students for professional licensure are designed to prepare a student to apply for applicable licensure in North Carolina. In order to ensure whether the program meets requirements for professional licensure outside North Carolina, PCC recommends the student contact the program director prior to enrolling in the program.

It is the policy of PCC not to discriminate against any person on the basis of race, color, handicap, religion, age, or national origin in the recruitment and admission of students; the recruitment, employment, training, and promotion of faculty and staff; and the operation of any of its programs and activities, as specified by federal laws and regulations. PCC is an equal opportunity institution.

Health Sciences admissions policies are not to be regarded as an irrevocable contract between PCC and students. PCC reserves the right to change any provisions or requirements at any time. Every effort will be made to minimize the inconvenience such changes create for students.
