

## MEDICAL LABORATORY TECHNOLOGY AAS DEGREE CURRICULUM SHEET

Collaborative Agreement with College of the Albemarle Effective 6-29-23

PCC has a collaborative agreement with College of the Albemarle (COA) to offer the Medical Lab Technology (MLT) Program. Through this agreement, students may earn general education course credits at PCC for transfer to the MLT Program at COA. COA agrees to annually accept into their MLT Program a minimum of three qualified applicants from PCC. Students must meet the admission criteria and complete the minimum prerequisites below to be considered a PCC recommended applicant.

The following steps must be completed to enroll at PCC:

- Complete an application for general admission to Pitt Community College.
- Submit official transcript from high school or high school equivalency diploma. Applicants with a bachelor's degree are exempt.
- □ Submit official transcripts from all colleges/universities attended.
- Meet with assigned Advisor.
- □ Check your myPittCC email account for important announcements on a regular basis.
- □ Read the <u>Health Sciences Essential FAQs.</u>

By completing these steps, students have not been recommended for enrollment to the MLT Program at COA. Students must meet the admission criteria and complete the minimum prerequisites below first. Until these requirements are met, students are enrolled at PCC as an Associate in General Education major or special credit student.

Admission Criteria:

- Must be a high school graduate or hold high school equivalency diploma
- Must be eligible for ENG 111 without a corequisite (successful completion of ENG 111 with a C or better will satisfy this requirement)
- □ Must have a **2.5 GPA** in general education courses completed for the program (see chart below)

Minimum Prerequisites (must be completed or in progress at time program application is submitted):

- BIO 163 or [BIO 168 and BIO 169] with a C or better (no time out for COA)
- ICHM 130 and CHM 130A] or [CHM 151 and CHM 152] with a C or better
- MAT 143 or MAT 152 with a C or better

Once you meet all admission criteria and minimum prerequisites, contact Health Sciences Admissions at (252) 493-7473 or <u>hltscadm@email.pittcc.edu</u> to request a recommendation to the MLT Program at COA. **The deadline to request a recommendation is October 1, 2023 by 5 p.m. for those enrolling in Spring, 2024.** 

OFFERED	COURSE	TITLE (CREDIT HOURS)	PREREQUISITES				
F,Sp,Su	BIO 163 or	Basic Anatomy & Physiology (5) or	DRE 098 or ENG 002 with grade of P2 or ENG 111; and [DMA 010,				
F,Sp,Su	BIO 168 &	Anatomy & Physiology I (4) &	DMA 020, and DMA 030] or MAT 003 with grade of P1				
F,Sp,Su	BIO 169	Anatomy & Physiology II (4)					
	CHM 130 &	Gen, Org, & Biochemistry &	CHM 130/130A: DRE 098, DMA 010, DMA 020, and DMA 030 or				
	CHM 130A or	Gen, Org, & Biochemistry Lab or	ENG 002 with grade P2 and MAT 003 with grade P1.				
	CHM 151 &	General Chemistry I &	CHM 151: DRE 098 or ENG 002 with grade P2 or ENG 111; Coreq:				
	CHM 152	General Chemistry II	MAT 171, MAT 172, MAT 263, or MAT 271. <u>CHM 152:</u> CHM 151				
F,Sp,Su	CIS 110 or	Introduction to Computers (3) or	None				
F,Sp,Su	CIS 111	Basic PC Literacy (2)					
F,Sp,Su	ENG 111	Writing and Inquiry (3)	DRE 097 or ENG 002 or BSP 4002; Coreq: ENG 011 if applicable				
F,Sp,Su	ENG 112	Writing/Research in the Disc (3)	ENG 111				
	Humanities/Fine	Choose one course from the following: ART 111, ART 114, ART 115, DRA 111, ENG 231, ENG 232, EI					
	Arts Elective	241, ENG 242, HUM 115, MUS 110,	.0, PHI 240, or REL 111				
F,Sp,Su	MAT 143 or	Algebra/Trigonometry (3)	[DMA 010, DMA 020, DMA 030, DMA 040, and DMA 050] or [DMA				
	MAT 152		025, DMA 040, and DMA 050] or [DMA 025 and DMA 045] or [DMA				
			010, DMA 020, DMA 030, and DMA 045] or [MAT 003] or [BSP				
			4003]; Corequisite: MAT 043 or 052 if applicable				
F,Sp,Su	PSY 150	General Psychology (3)	DRE 098 or ENG 002 with grade P1				

General Education Courses

You must be formally admitted to the MLT Program at COA to take MLT courses.

SEMESTER			SEMESTER		
OFFERED	COURSE	TITLE (CREDIT HOURS)	OFFERED	COURSE	TITLE (CREDIT HOURS)
Spring I	MTL 110	Intro to MLT (3)	Fall I	MLT 125	Immunohematology I (5)
Spring I	MLT 111	Urinalysis (2)	Fall I	MLT 140	Intro to Microbiology (3)
Spring I	MLT 130	Clinical Chemistry (4)	Fall I	MLT 240	Special Clinical Microbiology (3)
Summer I	MLT 120	Hematology/Hemostasis I (4)	Spring II	MLT 215	Professional Issues (1)
Summer I	MLT 220	Hematology/Hemostasis II (3)	Spring II	MLT 285	MLT Practicum II (13)

## Total Credits for AAS Degree (awarded by COA): 67

A grade of C or better is required in all courses to graduate from COA'S MLT Program.

Students admitted to health sciences programs are required to complete a clinical practicum. Clinical facilities may require criminal background checks, drug screenings, credit checks, professional license checks, and/or proof of US citizenship prior to or during participation in the clinical portion of a program. Any expenses associated with these requirements are the responsibility of the student. Pending the outcome, clinical facilities may deny a student the opportunity to complete the clinical portion of a program. A student who is unable to complete the clinical portion of a program will not be able to graduate. Criminal background checks, drug screenings, credit checks, professional license checks, and/or proof of US citizenship may also be required after graduation by examination boards, state licensing boards, and employment agencies. Pending the outcome, a graduate may be disqualified from examination eligibility, state licensure, and/or employment.

Students admitted to health sciences programs are required to have a physical examination to determine if they are physically and emotionally capable of performing the essential functions of the program and must submit a completed medical form. A record of immunizations, including, but not limited to, an annual Influenza vaccine and the COVID-19 vaccine must be included with the medical form. A medical or religious exemption for vaccines must be approved by the clinical site(s). PCC does not grant vaccine exemptions in lieu of the clinical site(s) and does not guarantee vaccine exemptions will be approved by the clinical site(s).

Programs at PCC that prepare students for professional licensure are designed to prepare a student to apply for applicable licensure in North Carolina. In order to ensure whether the program meets requirements for professional licensure outside North Carolina, PCC recommends the student contact the program director prior to enrolling in the program.

It is the policy of PCC not to discriminate against any person on the basis of race, color, handicap, religion, age, or national origin in the recruitment and admission of students; the recruitment, employment, training, and promotion of faculty and staff; and the operation of any of its programs and activities, as specified by federal laws and regulations. PCC is an equal opportunity institution.

Health Sciences admissions policies are not to be regarded as an irrevocable contract between PCC and students. PCC reserves the right to change any provisions or requirements at any time. Every effort will be made to minimize the inconvenience such changes create for students.
